

**Chammas & Marcheteau advises NetZero
in its €18 million Series B fundraising (Greentech)**

Chammas & Marcheteau advised NetZero on its €18 million Series B financing round, led by impact fund STOA.

Founded in 2021, NetZero is a French company operating in the tropics and specialising in the large-scale roll-out of biochar as a sustainable solution for carbon removal and regenerative agriculture.

This funding will enable the company to accelerate the industrialization of its innovative biochar model.

This transaction is one of the largest in the biochar space and the first major deal aiming to scale carbon removal in emerging countries.

The **Chammas & Marcheteau** team consisted of **Lola Chammas** (partner) and **Nathan Joder** (associate).
