

**Chammas & Marcheteau advises investors
in Morfo's €4 million fundraising (AgriTech)**

Chammas & Marcheteau advised TeamPact Ventures, Demeter and Raise Ventures in Morfo's €4 million funding round alongside AFI Ventures.

Created in 2021, the Morfo start-up aims to help combat global warming through a unique method of reforesting degraded ecosystems using drones, which can be used on a large scale and throughout the world.

With this new financing from its historical shareholders, Morfo aims to increase its reforestation capacity to several thousand hectares per year.

The **Chammas & Marcheteau** team consisted of **Lola Chammas** (partner) and **Julien Delacroix** (associate).
