

**Chammas & Marcheteau advised Iris on the €3.5 million fundraising of Hopia (AI/Healthcare)**

---

**Chammas & Marcheteau** advised Iris on Hopia's €3.5 million seed round, as co-investor with Kurma Partners, alongside French and Swiss business angels.

Founded in 2020, Hopia is a software company that uses artificial intelligence to automate the scheduling of doctors and carers.

This financing, co-led by Iris, a leading venture capital and growth fund specialising in the digital economy, will enable Hopia to continue rolling out its solution and to expand into new services in hospitals, but also in nursing homes, radiology centers and establishments for people with disabilities.

The **Chammas & Marcheteau** team consisted of **Denis Marcheteau** (partner), **Romain Penloup** and **Jeanne Cormerais** (associates).
